

## HEAVY WIND STORM.

### Considerable Damage Done to Small Buildings, Trees and Shrubby.

A heavy wind accompanied by a slight snowfall prevailed last night and has not entirely subsided to day.

Several buildings were damaged to some extent and a lumber of forest and fruit trees were blown down. Two of the rural mail carriers were forced to abandon their trip. Carrier Thomas found the northern route blocked with trees so that he could not get through.

The metal roof of the Y. M. C. A. was badly damaged and will entail a heavy expense in renewing the same.

At Peirce City the storm was more severe and several houses were overturned. Had there been more snow and colder weather the storm could be rightly termed a blizzard.

### High Five Club

The High Five Club met with Mrs. Geo. Miller Thursday afternoon. The prizes were awarded Mrs. Thos. Markwell and Mrs. Frank Burns. Following were the club members present:—Mesdames Thos. Markwell, C. White, Walter Perry, J. L. Harvey, Ed Hogan, Tom Judkins, F. Y. Charles, F. Barnes, F. Ward, D. J. Attaway and Miss Kate Reardon.

The many friends of J. Will Smith a former resident of this city will be surprised to learn that he has taken unto himself a wife. He was united in marriage at Springfield, Mo. last Sunday at the South Street Christian Church to Miss Albis McFadden, a prominent young lady of Springfield. The groom is a son of J. M. Smith, guard at the Missouri penitentiary. During his stay in this city he was employed at the San laundry. On and after February 1, they will be at home to their many friends at Monett, Mo. where Mr. Smith holds a responsible position.—Jefferson City Post

The Carman and Loyal Star lodges gave a box supper at their hall Thursday evening. The program was well received and the receipts from the sale of lunch boxes were good. The evening after lunch was spent in games.

One of the best enterprises presented to Monett will be heard from soon. Something to be catered right in our town where you can keep in touch with it. It isn't to be located somewhere else if we are willing to help ourselves as much as we have to help out side schemes and interests.
